

## Media Alert

### SoBran Launches “A Decade of Anthrax” SafeMail® Series at National Postal Forum

2011 is the 10-year anniversary of the anthrax attacks that killed five people, sickened at least 17 others, and drove Supreme Court justices and members of Congress from their offices. *A decade later, are our nation’s mail operations ready for another attack?*

#### **WHAT**

SoBran experts will address the question of our nation’s readiness for another anthrax attack and how personnel are combating other mail borne threats daily at a series of events and in white papers.

Launching the series:

- SoBran SafeMail expert Marshall Keith James will be available to discuss mail safety with media at the National Postal Forum.
- A white paper, “Facing the Challenge: Protecting Critical Infrastructure in an Apathetic Environment” is available online at [www.sobran-inc.com](http://www.sobran-inc.com).

#### **WHERE**

National Postal Forum  
San Diego Convention Center  
Booth #838  
San Diego, CA

#### **WHEN**

May 1-4, 2011

#### **WHO**

Marshall Keith James, Director of Training and Commercial Programs at SoBran, will be available to discuss anthrax and the ongoing threat of mail borne attacks. SoBran has been the leader in mail screening since 2001 when it was called upon immediately following the first attacks. SoBran clients include the Department of Homeland Security, Department of Defense, and the 2008 presidential campaign.

###

#### **About SoBran**

SoBran, Inc. solves biomedical, engineering, logistics and hazard-protection challenges. Our professional services help clients to be both effective and safe, enabling them to meet their goals and respond to new opportunities. Whether we are supporting

scientists developing vaccines, managing logistics operations or protecting employees through our SafeMail® program, our clients receive uncompromised quality and service. SoBran is ISO 9001:2008 certified and has a 24-year track record serving higher education, corporate and government clients such as the National Institutes of Health and the Department of Homeland Security.
