

CHEMICAL, BIOLOGICAL, RADIATION, NUCLEAR, AND
EXPLOSIVE (CBRNE) PROTECTIVE SERVICES

ENGINEERING & LOGISTICS

Protecting Critical Infrastructure

SoBran is a recognized leader in the design, development, and fielding of Chemical, Biological, Radiological, Nuclear, and Explosive (CBRNE) protective systems and services. We provide a full array of CBRNE related assessment, training, and awareness services, specializing in the design and operation of mail screening facilities to prevent mail borne attacks.

With decades of experience, we understand the unique requirements and challenges facing our clients as they strive to protect our nation's critical infrastructure and we tailor services to meet specific needs. By becoming an integral part of a client's team, we collaborate to ensure projects stay on track and within budget.

CBRNE Services

SafeMail® We provide comprehensive on-site threat analysis, system design, integration, and operational implementation for the prevention of mail borne attacks.

SAFETY

Our services include:

- Full service off-site mail screening at SoBran facility
- Full-service on-site mail screening at client facility
- On-site risk assessments and analysis
- Operational, technical, and threat awareness training
- Design of facility/threat centric protocols
- Validation of operational processes
- Development of site specific safety, security and emergency action plans
- Long-term technical and operational support and facilities management
- Regulation compliance services (41 CFR, DoD and OSHA safety programs)

Equipment Fielding and Training

Our expert chemical surety services, laboratory support, and sensor fielding and training, ensure that the equipment worn by the Warfighter provides effective protection against ever-changing threats and evolving real-world situations.

Responsive to Your Needs

SoBran CBRNE clients include the Department of Homeland Security, Department of Defense, Department of Transportation, General Services Administration, HKS Inc., Gannett Publishing, IKON Inc., and the 2008 Presidential Campaign.

We collaborate with complementary service and solution providers, from SBA 8(a) program members to multi-billion dollar organizations.

Reinforcing our commitment to accessibility and responsiveness, our services are available through a variety of contract vehicles.

Having set the standard for threat assessments and response, SoBran

is the partner you can count on to meet all your mailroom safety, security operations and critical infrastructure needs.

Let us show you how our continued commitment to quality, efficiency and service can help you realize your goals.
